ATP Abdul Kalam

FROM SECRETARY'S DESK

'Education' the term has become a need for Today the people of all sectors of the society has given much importance as their children take it as a way of life. All the stake holders take much interest in making education for existence. The Students, Teacher parents, govt & other agenciss play vital role in spreading making, enabling education an instrument for change. We are keenly interested to become a pat of it by producing teachers for the society who will shoulder the responsibility to prepare future good generations for the country. We work and believe in quality not quantity. so our focus is to provide such kind of training that will make a trainee, a devoted, knowledgeable teacher who will prepare their teaching parameters for the development of the learners. Our institute tries its best to make its own identity by following such themes and executing the themes in practices.

*" Excellence is a continuous process & Not an accident"
- APJ Abdul Kalam*

FACULTIES

The Institute has a good number of qualified Faculties in each subject approved by the West Bengal Board of Primary Education (WBBPE) and West Bengal University of Teachers' Training Education Planning and Administration (WBUTTEPA) as per NCTE norms to take care of the students all time without looking their own interest. The faculties are very creative and studious in delivering their day to day assignments. They inspire the students in preparing their lessons and deliverance of their teaching Practices.

*" Arise, Awake and donot stop until the goal is reached"
- Vivekananda*
